The DIMMER VIEW

Welfare Rules Changed

What kind of reform may be expected in the sprawling welfare business?

Changes squeezed through by Governor Reagan last month are going to have a greater impact on welfare recipients and on taxpayers than many people think.

There was so much screaming among those who wanted a new philosophy in welfare that it appeared that hardly any changes had been made.

Those who wanted more liberal interpretation of welfare rules also screamed. So did welfare officials. But these people complain so loudly when changes are even discussed that it is safe to assume that any changes that are to be made will have negligible effect on overall welfare picture.

Assemblyman Bob Monagan had sent the press a note last month in which he explained that changes would be considerable and that savings to California taxpayers would top \$320 million dollars in welfare and Medi-Cal programs this legislative year.

In a follow up note, one we requested, he spelled it out. If he is right, the welfare-Medi-Cal savings will be even greater the following year on cuts to be made on those who prostituted the programs in the first place.

The welfare system now costs Californians \$1.5 billions a year. Medi-Cal costs \$1.6 billions. The third of a billion savings this year isn't too much from a percentage point of view, but it is a slowing of the pendulum. Perhaps we can use that as a base of operations for further cuts in the years to come.

Monagan said provisions in the reform program would actually provide greater benefits to disadvantaged persons who, through no fault of their own, are unable to care for themselves. But many free-loaders are going to get bumped off.

Some of the changes will swing the pendulum on frivolities that caused welfare costs to spiral 400 per cent in the past decade. These include:

- stopping welfare payments to anyone who has been outside the state longer than 60 days. Currently, payment is made for one year.

- tightening aid eligibility requirements and imposing strict verification procedures. Currently, proof of need is not required.

- establishing an experimental program for healthy adult recipients who will be required to engage in public service work in order to receive their welfare grant.

- cutting of welfare payments to able-bodied adults who refuse to accept private employment, job training, or join a public work force.

- requiring middle and higher income wage earners to assume a major portion of the support of their elderly recipient parents, thus reaffirming the concept of family responsibility.

- requiring stepfathers to assume a greater share in support of their stepchildren who are receiving AFDC (Aid For Dependent Children.)

- attaching an absent father's wages to support his AFDC recipient children.

- reducing welfare grants to those recipients receiving outside income.

- averaging 12-month income for determining eligibility. This provision will disqualify teachers and many seasonal workers.

- establishing a one-year residency requirement for counties with higher than six per cent unemployment.

That's a good start. Reform certainly was overdue. But there will be great weeping among those who will have to go to work or whose welfare income is reduced. Yet, every one of the items listed above is reasonable.

Another benefit, in addition to the reduced cost of welfare, will be that the truly needy will no longer feel that they are lumped in with a bunch of freeloading shakedown artists.

Needy Pupils Free Lunch Rules Set in Lemon Grove

Free or reduced price lunches will be included as part of the cafeteria program at Lemon Grove public schools this year, District Superintendent Byron Netzley stated last week.

A formula for determining need is based upon the rules of the National School Lunch Act and the California Family Nutrition Act, he said.

Guidelines are precise, but the district is reimbursed for the lunches. Factors of family size and number of students in school, measured against family income, including any possible welfare grants helps to determine eligibility for the program.

Current eligibility criteria include children whose families —

1. — receive Aid for Families With Dependent Children;
2. — receive food stamps or federally donated food, but who do not receive public assistance;
3. — receive public assistance such as Social Security, Aid to the Disabled, Aid to the Blind, Welfare, etc.;
4. — children from other families whose gross monthly income from all sources is at or below the following levels:

If the family has one child and an income of \$170 or less, free lunches will be provided. If the income is \$204 or less, reduced price lunches will be provided.

For larger families the scale is

- 2 children, \$223, free; 268, reduced
- 3 children, \$276 and \$331
- 4 children, \$328 and \$394
- 5 — \$378 and \$454
- 6 — \$426 and \$512
- 7 — \$470 and \$564
- 8 — \$514 and \$616

Band Slated In Kids Day Parade Sat.

The Green and Gold Lemon Grove Junior High School team, now engaged in two-day practice sessions, makes its initial appearance of the 1971-72 season Saturday morning in the Kiwanis Kids Day Parade.

The "team" is the school's 95-piece marching band, one of the finest annually in Southern California and a perennial trophy winner in virtually every competition in which it is entered.

Director Harry Weisgerber will direct the musicians who have been rehearsing intensely for two weeks. This year's aggregation will be one of the largest Trojan bands in the past ten years with many new students enrolled.

Lemon Grove Junior High will be engaging in seven parades this season as it points toward the National City Maytime Band Review in May, 1972.

Majorette for the group will be 10-year-old Karen Eyer. Miss Eyer is a sixth grader at San Altos Elementary School who has won more than 280 trophies and awards for baton twirling and was a guest twirler for the Mt. Miguel Matador High School marching band last year.

The band's annual fund raising drive begins Oct. 2 with a candy sale, according to Mrs. Carl Pinto, ways and means chairman of the music parent's association.

Spring Valley Leads In New Building Permits

A total of 113 building permits were issued in Spring Valley during the month of August, making Spring Valley the leader in the unincorporated area of the County for that month, statistics from the Department of Building Inspection issued last week.

The main portion of the new building permits were 103 for single dwelling units issued to Hallcraft Homes for a planned residential development in South Spring Valley.

Other permits issued for Spring Valley construction but not to the Hallcraft Company, included three other single family units, three duplexes, three four-plexes, and one commercial public building.

The permits were for buildings valued at a total of \$2,292,000, bringing the year's total permits to \$2,363,200 and 157 units, which were also high figures for the county's unincorporated area.

Lemon Grove's 10 new permits brought its yearly total to 44 units and August's \$288,000 value brought the yearly total to \$304,800.

Award Made to Soroptimists

The Lemon Grove Soroptimist has been awarded the Golden Jubilee status by Soroptimist national, Lois Heiserman, local club president said this week.

The award was made during the nationwide marking of its 50th Anniversary biennial for "Leading the Action" in community service projects, citizenship, scholarships, fellowship activities and in contributing to international understanding.

Another local woman, Dr. Amorita Treganza, is former district governor of Soroptimists.

L.G. Fire Report

The Lemon Grove Fire Department, for the week of Sept. 13-20, answered two fire calls; one was a small fire in sawdust jump pit at Palm Junior High School, and the second was a small grass fire at 7173 Waite dr. There was no damage reported on either.

Mrs. Alta Kaiser Indicted For Murder By Grand Jury

CRUSADER — Jim Boyd, left, who was named head of the Lemon Grove United Crusade Service looks over the UCS work program with Dr. Harry Sorteberg, a retired Lemon Grove dentist. Dr. Sorteberg, who is also past president of

the L.G. Rotary club, will be in charge of the professional classification which includes doctors, lawyers and dentists. Goal is \$8,980. The campaign gets underway Monday and will return about \$30,000 in services to the community.

Waite Drive is 'Home' For Sheriff's Cars

The Lemon Grove office of the County Sheriff's Department has expanded again.

It has taken over a major part of the former County Road Station at 7410 Waite dr. for housing, minor repairs, scheduled maintenance and fueling of the local office's 13 vehicles.

Formerly, patrolmen and detectives stationed their vehicles at the El Cajon sub-station. The Waite dr. station will "improve overall efficiency and put men on the beat faster" Lt. Frank Hill, officer in charge of the Lemon Grove office said.

Thirty-two men use the facility on a three-shift basis. They park personal cars there, change clothes in a new locker room, sign out vehicles and line-up at the Broadway office. The sequence is reversed at the end of the shift.

In addition to sheriff's vehicles, the facility cares for the autos of the area welfare department and animal shelter vehicles.

A small section is set aside for road repair material. Two county road department vehicles use it for headquarters.

Major repair on sheriff's vehicles is done at Operation Center on Kearney Mesa.

In charge of the Lemon Grove shop is Edwin "Slim" Lovell.

Sheriff John F. Duffy said the new facility is an extension of his community beat concept.

It permits officers to report directly to the area they are to patrol instead of beginning and ending the day's service at a "foreign" headquarters.

Classes Announced

The Nursing Programs of the San Diego County Chapter of the American Red Cross has announced new "Expectant Parents Classes" for October.

Two evening classes will be offered — one beginning October 4 from 7-10 p.m.; the other October 6 from 7-10 p.m. One morning class will be offered starting October 5 from 9 a.m. to noon.

The classes meet once a week for four consecutive weeks at 3650 Fifth ave. Fathers are welcome to attend the free classes and learn the newest approaches to child care, prenatal and postnatal care for mother and community resources. To register or for further information, call 291-2620, ext. 272.

United Crusade Campaign To Open Here Monday

United Crusade chairmen in Lemon Grove and Spring Valley will kick-off the 1971 annual campaign on Monday in support of nearly 70 county-wide human care agencies.

Lemon Grove chairman Jim Boyd of State Farm Insurance, who was appointed last week to fill an unexpected vacancy, is experiencing a last-minute rush to recruit division and section chairmen in time for the kick-off date.

In a statement regarding the Crusade, Boyd said: "I am

sure that every person in Lemon Grove has been directly or indirectly touched in some way by a United Crusade supported agency. All we are asking is that everyone gives his 'Fair Share' so that we can reach our \$8,980 goal to help these agencies who help our people."

Spring Valley Crusade chairman W. H. "Pat" Fitzpatrick has recruited a strong team of division chairmen who will lead an all-out effort to reach their \$9,000 goal. Heading the business division is Leroy R. Hall, owner of Casa de Oro Travel, and vice-chairman Eugene W. Pierson, Bank of America branch manager. Don M. F. Phillips, coordinator for Spring Valley School District will head the public service division.

"This is the first year Spring Valley has been set-up individually with its own goal figure," stated Postmaster Fitzpatrick. "This is the chance for our community to show all of San Diego County that we can do our part to support the agencies that serve us."

Best bidder for the company's bond issue was a group of underwriters headed by Lehman Brothers Incorporated, Goldman, Sachs & Co., Halsey, Stuart & Co., Inc. and Salomon Brothers.

The new series L bonds, due September 1, 2001, will carry a coupon rate of 8 percent. They will be offered to the public at 100.5 percent of the principal amount and will give a return to the purchasers of 7.96 percent.

San Diego Gas & Electric Company will realize 99.402 percent of the principal amount of the bonds, giving the utility an annual net interest cost of 8.05 percent.

Money raised from the offering will be used to retire a portion of short term notes used to finance additions to the utility properties of the company.

Arraignment Scheduled For Today

SAN DIEGO (CNA) — A Lemon Grove woman was indicted for murder Tuesday by the County Grand Jury as the result of the fatal shooting of a local man.

Mrs. Alta Marie Kaiser, 32, of 1917 Dartmoor dr., was arrested on Sept. 5 after sheriff's deputies found her in her bedroom beside the twice-shot body of Patrick Arnold Murphy, 38. Authorities said Mrs. Kaiser herself reported the shooting.

Murphy and Mrs. Kaiser, who is estranged from her husband, had been dating for some months before the shooting, according to the sheriff's office. But no reason for the alleged killing has been given.

Bernard Revak, deputy district attorney said the woman's four small children were watching television during the shooting.

Arrest records show that Murphy was shot twice with a .22 caliber automatic pistol, once in the chest and once in the groin. Mrs. Kaiser was also "wounded" superficially, with a gun shot wound in the leg.

Mrs. Kaiser now is being held in the county jail without bail. She is slated to be arraigned this morning before Judge William T. Low of the Superior Court.

According to her court-appointed attorney, Artie Henderson, she will ask the judge at the arraignment to request background material from the probation department for purposes of bail review.

Owen Protests Enforcement Of City Ordinance

R. C. Owen, owner of RC's Cafe locally and who operates a string of vending machines, penny arcade machines and pool tables, this week charged the San Diego City Treasurer's Office with "selective enforcement" of game licensing he feels discriminates against him.

Owen claimed that a game operated in a non-public place should not come under the same licensing that a game in a public place should have.

He is disputing the enforcement of an ordinance that requires a license costing \$60 annually for the operation of a coin operated pool table.

The treasurer last month sent a bill to Owen for back licensing of a pool table operated at an apartment complex, he said.

At a hearing last week, Owen claimed that the apartment complex fell under the same provisions that pool tables operated at clubs such as the YMCA and USO and various "locker" clubs and private clubs.

Owen said that within half a mile of the conference room where the hearing was held there were approximately 50 tables with back licenses totaling over \$6,000 being operated in clubs.

Results of the hearing with the City Attorney, City Auditor, and City Treasurer, indicated that the Treasurer found the bill should be paid.

Owen indicated Monday that he will either ask for another hearing or a hearing before the City Council to protest the ordinance as it is being enforced.

Erv Estruth, New Pastor Of CdO Church Honored

The guest speaker was Rev. Ferris Hough from the South-West Baptist Conference headquarters. Words of welcome were also voiced by several area pastors representing Conference churches.

Mrs. Frieda Phillips, representing the Board of Deaconesses, presented Mrs. Estruth with an orchid corsage. Following the ceremony, the congregation and guests enjoyed a social hour and buffet supper.

Rev. Estruth, who took over duties as pastor of the church August 15, was formerly Dean of Students and instructor at Arizona Bible College. He holds degrees from Westmont College and Dallas Theological Seminary. He and his wife Georglyn have recently purchased a new home in Spring Valley.

Learn Spanish the Easy Way

Hardison's Telespanish

By JAMES HARDISON

The expression "El domingo" looks like it should mean "The Sunday." Actually it does mean just that on a word for word basis. However, for more effective translation into English we normally leave off the article "the" and simply say "Sunday" for "El domingo." We do this because the names of the days of the week in Spanish are preceded by the article "el." By comparison, it is not a requirement in English to place an article before the names of the days of the week.

"El domingo es un dia de descanso." is an expression which shows that the article "el" is not needed in the equivalent English expression "Sunday is a day of rest." Also, the expression "El lunes es un dia de trabajo." demonstrates the concept of placing an article before a day of the week in Spanish and not doing so in the English translation "Monday is a work day."

"Martes, miercoles, jueves,

viernes y sabado" (Tuesday, Wednesday, Thursday, Friday and Saturday) are the names of the balance of the week days. Each one must have the article "el" placed before it when it is used in a phrase. For example, we might say "Yo no trabajo el martes." (I don't work Tuesday.) or "Ella trabaja el viernes." (She works Friday.). Unlike the practice in English, the first letter in the spelling of the days of the week are not capitalized.

On occasion we may see the letter "o" or "y" in between two days of the week like "El martes o el jueves." (Tuesday or Thursday.) and "El miercoles y el viernes." (Wednesday and Friday.) As you may have determined from these expressions, the letter "o" means "or" and the letter "y" means "and."

A good brief recommendation for correctly using the Spanish days of the week requires that we place "el" before them and that we do not begin their spelling with a capital letter. You may enjoy practicing the phrases listed below with the recorded voice heard when you dial 276-2762 on your telephone. You will each word and phrase pronounced to guide you.

IMPORTANT PHRASES:

Say "Yo trabajo el lunes." (yoh trah-BAH-hoh ehl LOO-nehs)
for "I work Monday."
Say "Ella trabaja el viernes." (EH-yah trah-BAH-hah ehl vee-EHR-nehs)
for "She works Friday."

USEFUL PHRASES:

Say "Cuando descansara usted?" (koo-AHN-doh dehs-KAHN-sah oo-STEHD)
for "When do you rest?"
Say "Yo descanso el domingo." (yoh dehs-KAHN-soh ehl doh-MEEN-goh)
for "I rest (on) Sunday."

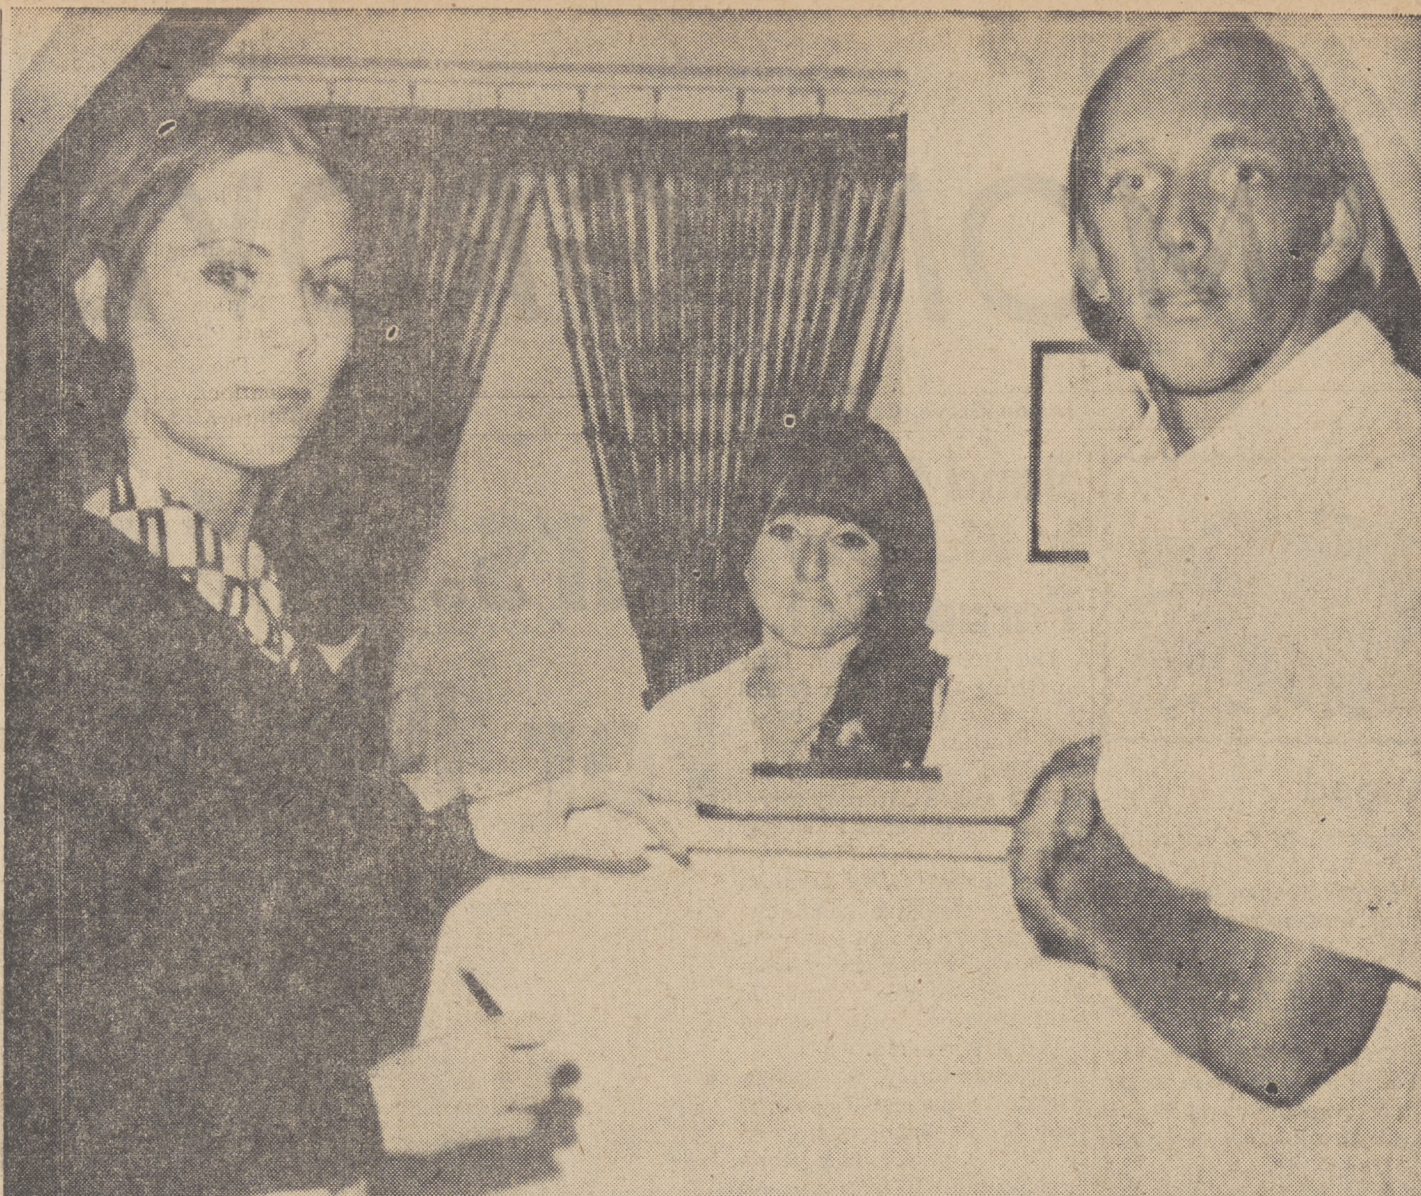

OTHER PHRASES:

Say "Va usted el sabado?" (vah oo-STEHD ehl SAH-bah-thoh)
for "Are you going Saturday?"
Say "Voy el jueves." (VOH-ee ehl who-EH-vehs)
for "I am going Thursday."

Songfest Due Sunday

Folk Mass singers of the Sacred Heart Church, Ocean Beach, under the leadership of Jerry Harvey, are scheduled to sing at the First Baptist Church of Spring Valley, 8758 Troy st., at the 7 p.m. service, Sept. 26.

The public is invited to hear the group. Ice cream and cookies will be served following the service.

CORRECT POSTURE MONTH — Pam Ingle, left, who is Miss Poway, and Rick Schultz, Grossmont College pole vaulter, sign in at a reception as Sue Wahlgren looks on. Miss Ingle and Schultz were among a cross section of the public who were attending the reception at the Gaussoin Chiropractic Office last Wednesday under the auspices of

Correct Posture Month, sponsored by the Citizens for Good Posture and Chiropractic Information Bureau. Mrs. Wahlgren is a receptionist at the office. Others who were in attendance included athletes from San Diego State and UCSD, members of the San Diego Gulls and San Diego Padres, and members of the armed services.

Welfare Group Holds Meeting

The first meeting of the fall for the Spring Valley Community Welfare Inc. was held Monday in the S.V. Community hall, at the rear of Save On Drugs and Kresge's Dept. Store.

Mrs. Agnes Watkins is the new president. The next meeting will be Oct. 18 at the same location at 9:30 a.m. All local organizations are requested to send representatives.

Two items of local importance were discussed at Monday's meeting: the Oct. 14 and 15 rummage sale, which will be held from 9 a.m. until 3 p.m., the place to be published later; and the need for good, used clothing, the contributions to be left at local elementary schools.

The matter of needed canned goods was brought up, and it was pointed out that a drive will be under way at Spring Valley Junior High School this year.

Oxygen, in its true form, makes up one fifth of the volume of the atmosphere.

Chases To 'Retire' To Teaching Stint

A Lemon Grove minister who started a congregation three and a half years ago with his study in his garage, and his church in a rented building in La Mesa, is "retiring" after his Sunday services. But he leaves a remarkable heritage.

The man, Dr. John T. Chase, 1541 Larwood rd., Lemon Grove will say farewell to his Christian church congregation in a newly erected building situated on four acres of land at 6970 San Miguel ave.

The facility houses a sanctuary, offices and an educational facility. Five new classrooms are being added at present.

His "retirement" will be to Cebu City, in the Philippines, where he will teach for one year. Mrs. Chase, who will accompany him, will also take up teaching for the year.

The Chases have been world travelers. In 1927 they went to Japan as missionaries. Nine years later they went to Seoul, Korea to establish a Christian church. Now there are over 150 churches, 4 Bible colleges,

and 5 orphanages caring for hundreds of needy children.

For seventeen years before coming to Lemon Grove the Chases served the First Christian church of Downey, Calif., after which the City of Downey presented them with a plaque for community service.

Four years ago they revisited the Orient and the sites of their earlier labor. They were invited to return there to teach by two of the colleges they helped establish. They decided on the Philippines instead.

They will vacation during the month of October. A farewell reception honoring the Chases will be given Friday at 6:45 at the church. He will preach Sunday at the 10:45 and 6:55 services for the last times.

A doctor in a South Georgia town went on vacation. He placed a sign on his door reading: "On vacation. Eat sensibly, quit smoking and come back in a month."

Mail Bag

Dear Editor:

I wonder if the Grossmont Community College District Governing Board has given any consideration for the amount of taxpayers money which must be expended in conducting a special election. Is the Maximum Tax Rate Election on September 28th so urgent that taxpayer's money must be expended for a single issue election. Or is it because the supporters of the proposition are relying on public apathy to this type of election, hoping to push the tax authorization through because so many voters are too lazy to go to the polls? You can bet that supporters of this measure will be there to cram the ballot boxes.

If the burden of present property taxes doesn't stir you out of your easy chair, just stay there and soon you may have to move out of your house because you can't pay the taxes. I, for one, do not intend to sit idly while this small bureaucracy is granted authority to do as they please with the tax rate for an indefinite period.

According to CLCA President Robert L. Weiland of Spring Valley, awards will be given to every type of residential, commercial, industrial, and public works landscaping work performed in the state.

La Mesa Library Plans Three Women's Programs

The La Mesa Library, in arts and crafts.

The series will begin next Tuesday at 9:30 a.m. with presentation by clinical psychologist Richard Worthington, to be followed by a question and answer period and audience discussion. Topics will include child behavior, and family life.

Worthington received his Ph.D. from the University of Chicago, has served on the faculties of Cornell University and the University of Chicago, is president of Worthington Associates in Chicago, and has a private practice in the San Diego area. He is past president of the American Association of State Psychology Boards and is a former board member of the Family Service Association of San Diego.

The second program, to be held October 5, also at 9:30 a.m., with Harry La Dou, who heads up the San Diego County War On Litter Committee and is involved in the Stop Littering Our Bay and Beaches organization. La Dou will speak about recycling in general, the work his organization has done, and what the audience can do to help.

La Dou sees recycling as an important solution to the litter problem because recycling not only eliminates litter but also cuts down on solid waste which contributes to pollution. He will give a general background on recycling, talk about the various recycling

efforts in the San Diego area, and answer questions.

The third program in the series will be the presentation of the color film "Crayon", a short subject dealing in the possibilities of crayon. Also other media will be discussed. The film shows how to use crayons in fingerpainting, batik, candlemaking, and other fascinating things. The film will be shown October 19, also at 9:30 a.m.

According to librarian Karen Chadorch, one of the reasons for the program is to bring some people into the library who might not ordinarily come just to get books.

"We had an experimental program during the summer for women and I talked with many of them, who felt that they were more interested in the community than many of the traditional things such as housework and household hints and baby care," she said.

"This program is designed to fit the needs of women who are tired of being put in the same 'old box' of housewife or domestic drudges," she explained.

The programs will be held in the Ben Polak Auditorium at 8053 University ave., La Mesa, adjacent to the library.

Mrs. Chadorch, who has spearheaded the special programs at the La Mesa Library, indicated that there will be story hours for three to five year olds at the library which will run concurrently with the women's programs, so that women with children may be able to attend.

Parents interested in the story hours are requested to register their children in advance at the La Mesa Library, 8055 University ave.

Among the 20 million older citizens in the U.S., there are seven women for every five men. The majority of the women are widows, while most of the men are still married.

trict is cordially invited to attend.

Mt. Miguel
The Mount Miguel PTA last week announced the names of officers for the coming year.

Mrs. Henry Reinecke will serve as president of the group, with Mrs. Victor Hall and Mrs. F. W. Riley serving as vice presidents. Mrs. Frank Jakacki will be secretary, Mrs. Leonard Gist will be historian, and Earl Peasley will be the auditor.

On the first day of school last week, members of the Mount Miguel PTA were on hand to assist in handing out schedules to the 2,700 students.

The PTA year actually got underway before school started this year, when the group hosted a luncheon for the 200 members of the administration and teaching staff.

Over 1,000 persons were on hand for the next item of the club's agenda when the PTA and the Boosters co-sponsored the Amino Week Barbecue.

San Altos

The summer months were busy ones for the workers in the Backyard Swim Program at San Altos School. Each year the PTA unit participates with the San Diego County Chapter of the American Red Cross in providing free swimming lessons for children, ages 6 to 12, in resident pools from donors in the area.

Under the direction of the chairman, Mrs. Jeanie Riggs, 135 children were enrolled; 120 in beginner classes and 15 in advanced beginner. Certificates were issued to 18 beginners and 11 advanced beginners.

Water Safety Instructors in the program were Mrs. Jeri Morgan, and Miss Doreen Schupp. Backyard Swim Instructors were Mmes. Terri Simmons, Nancy West, and Judy Nachazel. Assistants were Mmes. Ester Robinson, Dolly Manning, and Brenda Clark. Aides were Mmes. Goldie Wolman, and Janet Johns.

Mt. Vernon

An informal meeting to discuss the varied functions of the Mt. Vernon Elementary School PTA to parents was to be held this morning at Green Spot Park on Washington st.

Members of the PTA board were to explain their respective duties with special emphasis given in the areas of teacher aides, library assistants, workshop helpers and health and welfare volunteers.

Aztec Grid Highlights Set For KCST-TV

San Diego State football fans this fall will see "Aztec Highlights" and complete videotape replays of all Aztec games on KCST, Channel 39, for the first time.

"Aztec Highlights" will be shown from 7:30 p.m. each Tuesday, starting Sept. 28, and the delayed game telecasts will be aired from 5-7 p.m. and 10 p.m. to midnight on Sundays with sportscaster Ron Reina calling the play-by-play for both radio and teevee.

Now in its fifth year, Aztec Highlights will change format as well as channels. Key aspects and strategies of each game, described by Reina and San Diego State coach Don Coryell, will be featured instead of a chronological showing of the outstanding plays. For instance, if one game is dominated by an outstanding pass rush, those plays will be featured. As in the past, all scoring plays will be shown.

Tapes of Aztec games will be shown this season for the first time. Carried on Channel 39 on Sundays, the tape replays will begin Sunday with coverage of the Aztecs' opening game with Southern Mississippi.

Grossmont Football Carny Opens Prep Grid Season

BANNER NIGHT — One of the more interesting aspects of the carnival were the gala variety of banners and posters erected by supporters of each of the eight participating

schools. This one, erected by Mount Miguel cheerleaders, told of the Matadors' prowess over the Grossmont Foothillers.

East Beats West, 14-0 At Aztec Bowl

The annual Grossmont League Football Carnival was held last Friday night at San Diego State's Aztec Bowl, and the East beat the West, 14-0, before a capacity crowd of supporters from all eight district schools.

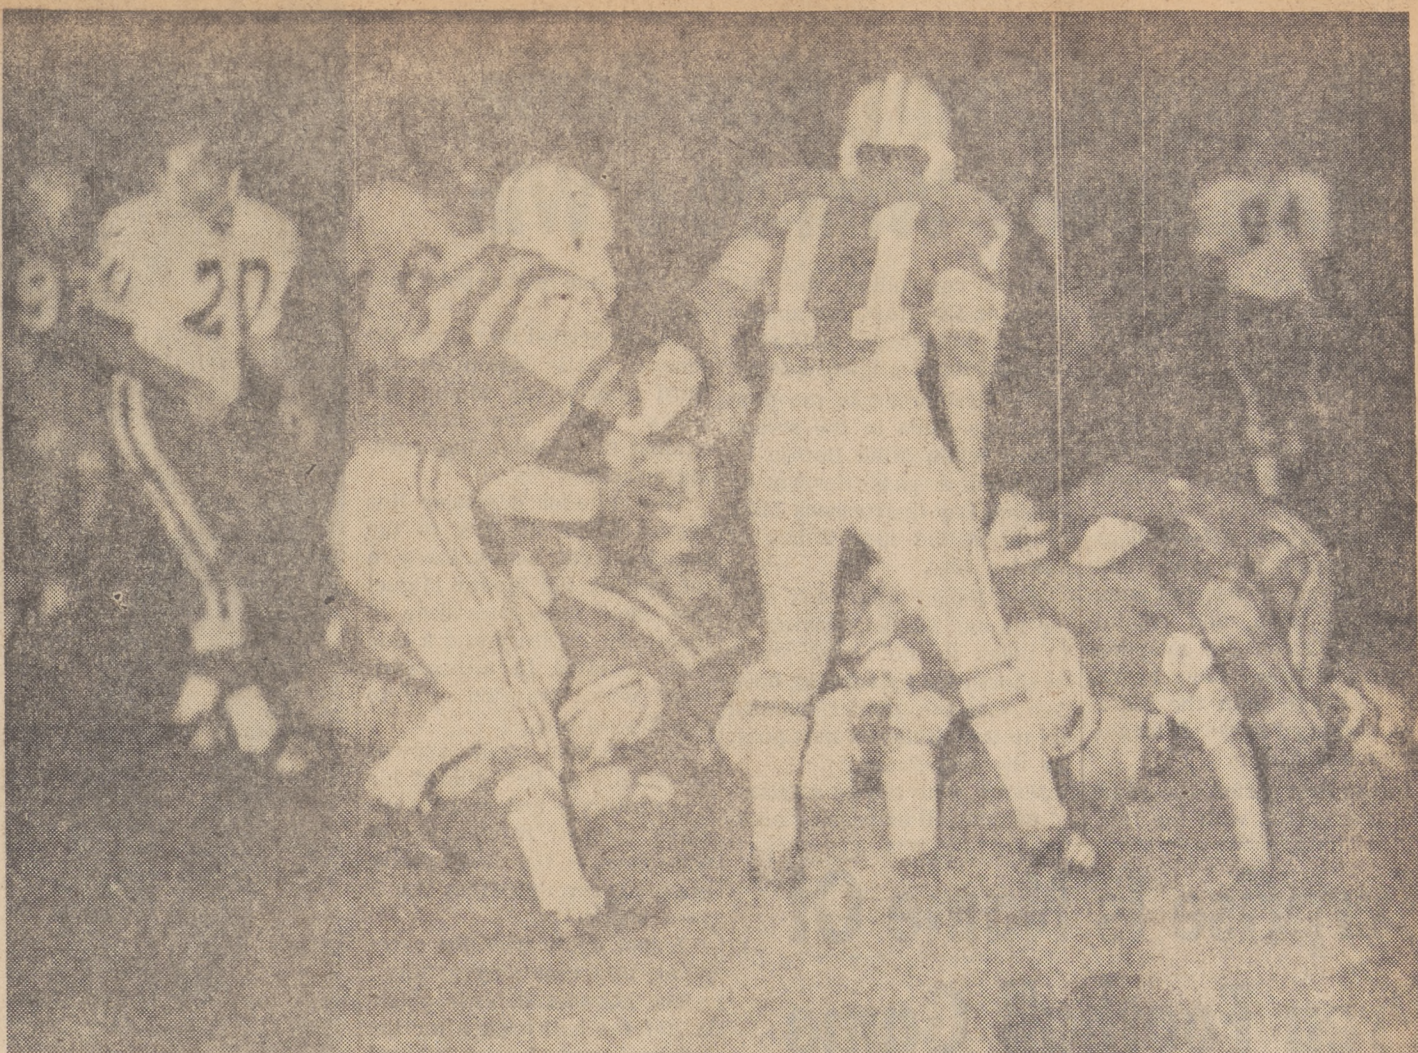

The carnival opened with a surprise, as the expected display of muscle from El Cajon Valley High School's team did not occur and the Braves were unable to score against lowly Santana.

A bigger surprise was in store in the second quarter, which pitted highly rated Helix against a Bill Fudge-less El Capitan crew.

Helix, not expected to have a strong defensive unit, didn't surprise anybody in that area, as El Capitan capitalized on Highlander errors for two touchdowns and a safety and kept the ball at the Helix end of the field for most of the quarter.

In the third period, another surprise came about as the powerful Grossmont Foothillers, last year's CIF runners-up, took on last year's only winless team, Mount Miguel. Grossmont failed to score.

Continued on Page 6

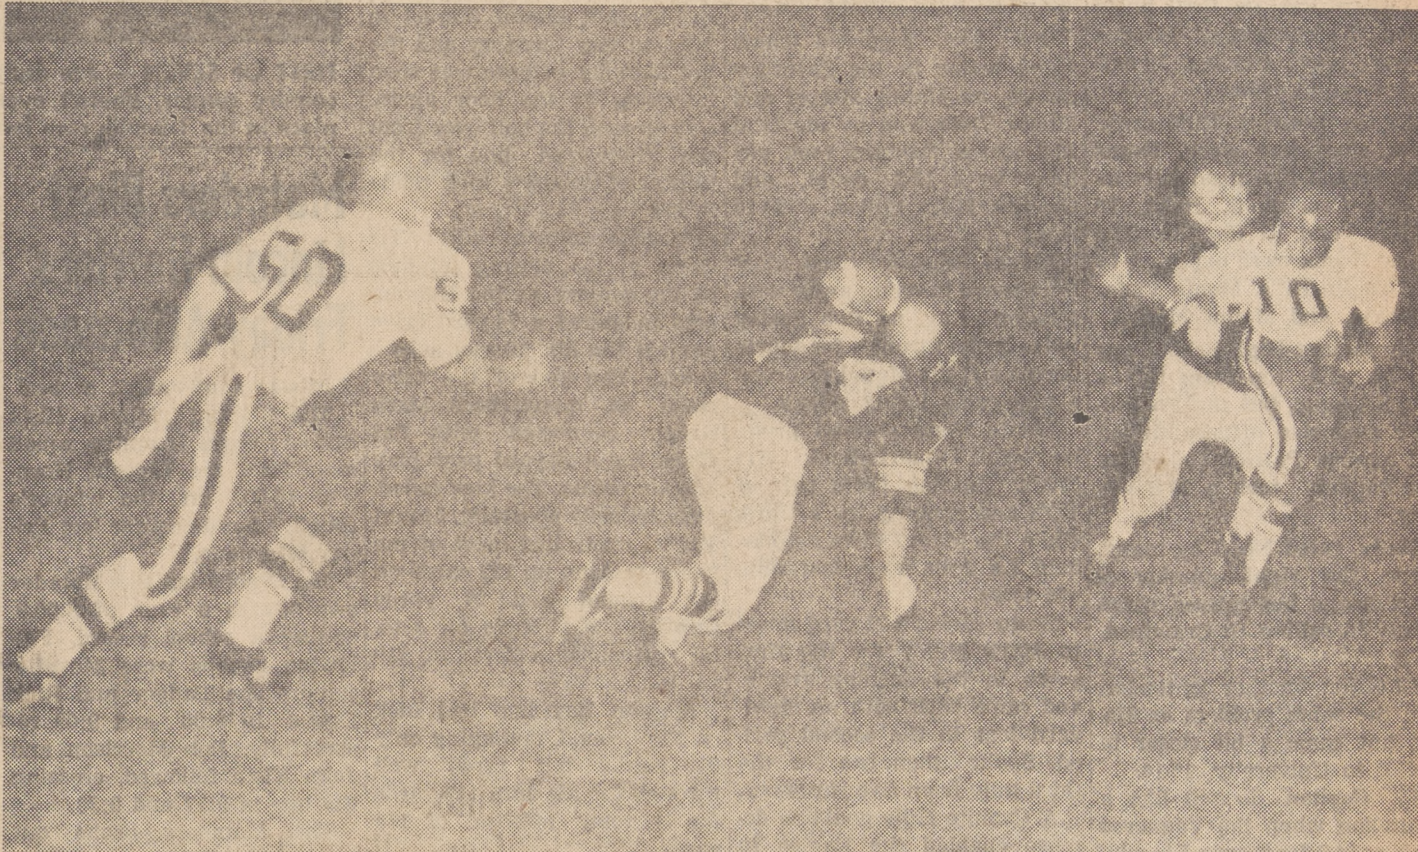

SWARMED UNDER — An unidentified Mount Miguel running back is swarmed under by half of the Grossmont High School defensive unit in third quarter action of the carnival.

Expected Grossmont-Mount Miguel mismatch failed to materialize, as Matadors, the underdogs, moved the ball well and stopped the Foothiller attack.

CHIEF RUNNING MOUTH — Part of the fantasy of the annual carnival is the display of school spirit and a contest among all the cheering sections to see which one makes the most noise. The good chief shown here is the mascot of

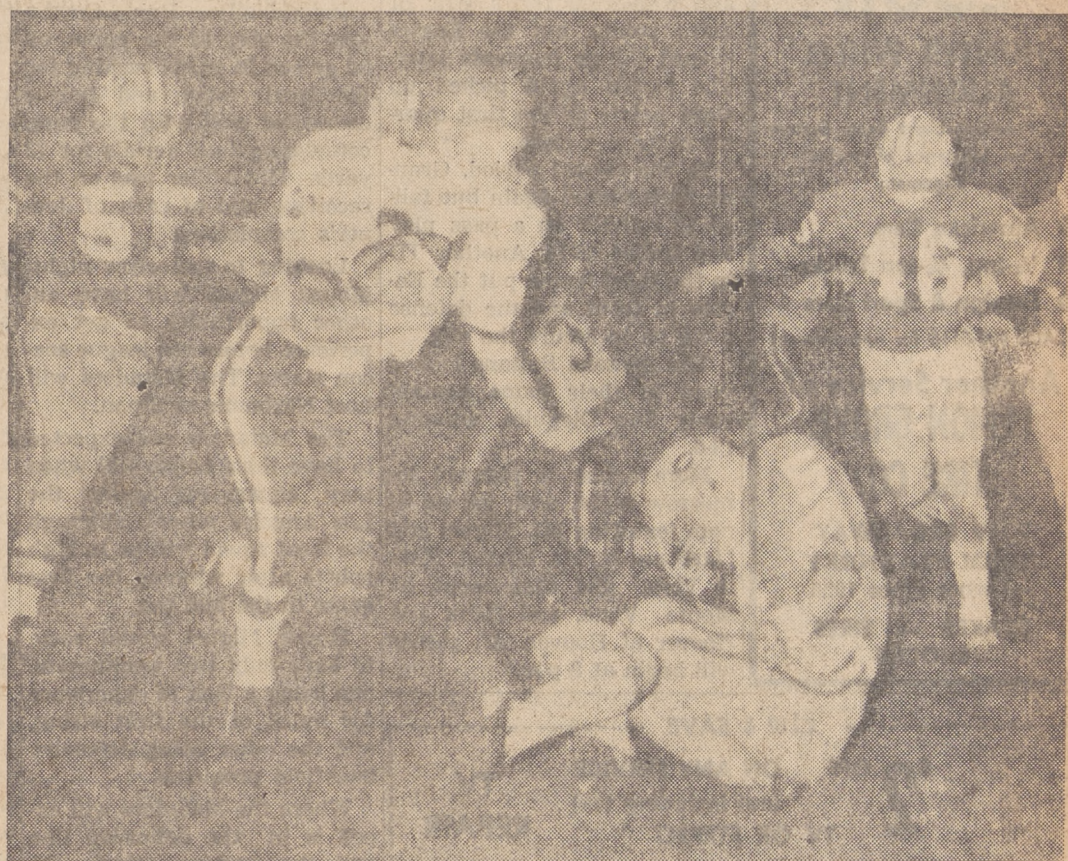

the El Cajon Braves, who had a good cheering section but couldn't get on the scoreboard against Santana in the first period.

PASS INTERFERENCE? — The defender, in the black jersey, covers this receiver a little too tightly in this incomplete pass play. The foul went undetected. (Mark Coffin Photo)

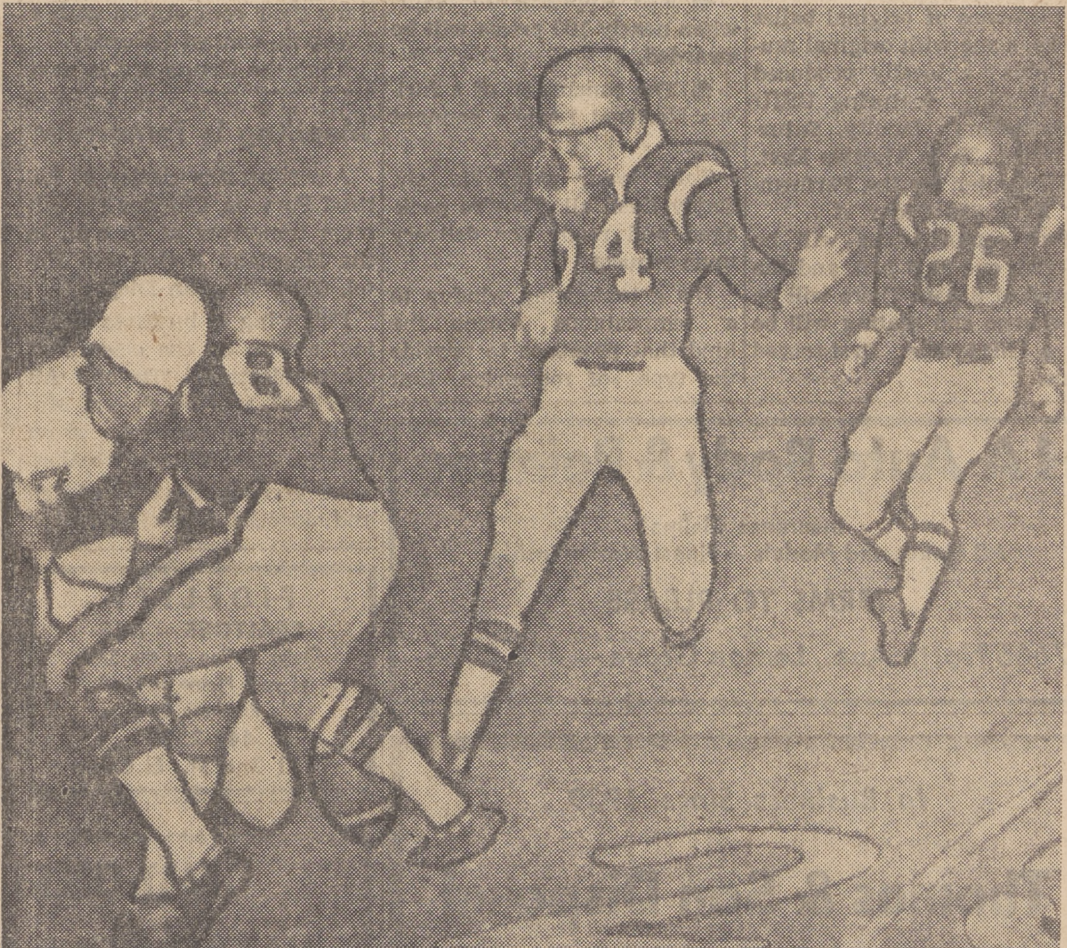

MONARCH — Debbie Holland, of Monte Vista High School, served as the school's mascot, The King of Beasts, at the carnival. Debbie's roar was utilized to lead the Monte Vista cheering section.

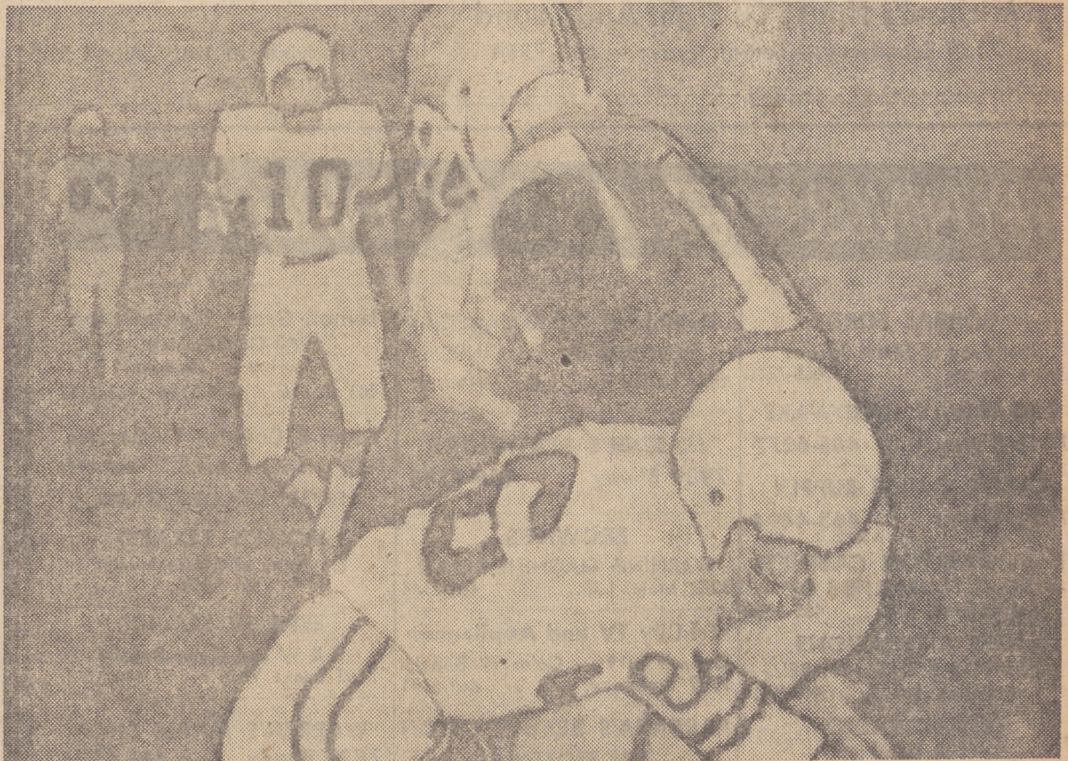

SITTING DOWN ON THE JOB — A couple of extra yards was the result of this defender's slip, which caused him to sit down in a hurry. The ball carrier was caught from behind about five yards further up the field.

SCHOOL THEME SONG — Assistant coach Harold Stratton, left, and new head coach Dwight Morris pause after their quarter to join in the singing of the school song. Morris, who took over this season at Mount Miguel, had something to sing about, too, after his team held powerhouse Grossmont scoreless and moved the ball well against the Foothillers.

FUMBLE — A rugged tackle threw the ball loose from the grasp of the runner in this play, and it appeared for a moment that a change in ball possession was in order, but a stray foot managed to scoot the ball out of bounds before a recovery could be made.

JARRING TACKLE — It was something like running full steam into a brick wall for this ball carrier when he was met head on by a mass of shoulder pads and humanity after a short gain.

Mt. Miguel Snaps Nine-Game Losing Streak With 20-6 Win

Mount Miguel High School's football team, on the power of running back Bob Szalay's two touchdowns, snapped a nine-game losing streak last Saturday night with a 20-6 decision over Mission Bay High School on the Mesa College field.

Mount Miguel, after a disastrous season last year, fielded a bigger, faster, but inexperienced team, and capitalized on Mission Bay mistakes to score three touchdowns, just one less than the Matadors managed in seven league games last season.

In the first period, the game was uneventful, with the Buc-

caners controlling the ball much of the time, but unable to get anywhere against a rugged Mount Miguel defense.

The first break in the punt exchange came in the second period when Mike Rathje intercepted a pass thrown by Mission Bay quarterback Mike Braun at the 45-yard line of Mission Bay.

Jess Jenner then took over for Mount Miguel, driving in 12 plays to the 1-yard stripe on short runs by running back Dan Cowan. Jenner handed off to Bob Szalay at that point for the six-pointer.

Jenner, who possesses a talented toe as well as passing abili-

ty, tried the extra point but failed.

Things settled down to a defensive battle again in the third quarter, as Mount Miguel's solid line held up against the Mission Bay rushing attack.

The Matador defensive line proved to be the key to the fourth quarter action. Early in the period, the Mount Miguel line held the Bucs deep in their own territory and a fine rush resulted in a hastened punt, which traveled only to the 20-yard line.

Jess Jenner again showed potential, as he guided his team into the end zone in six plays. Again it was Szalay who made the final yards, plunging through from the 2-yard stripe.

Jenner again tried the extra point, this time successfully.

The Matador defense quickly got the ball back after the kickoff and Jenner started another drive from his own 40-yard line.

Jenner's passing arm and Dan Cowan's able rushing quickly put Mount Miguel in Mission Bay territory and the hot Matador offense was soon knocking at the door again.

Cowan took the ball over from the three-yard line for the tally, and Jenner's kick made it 20-0.

Mission Bay's only TD came in the closing minutes of the contest, as the Buccaneers mustered a 74-yard drive against the Mt. Miguel substitutes. The end of the drive came as quarterback Mark Grogg connected with Pat Clark for a 22-yard pass play and six points. The kick failed.

Statistically speaking, Mount Miguel controlled most of the game, racking up 122 yards on the ground and 97 yards through the airways for a total offensive effort of 219 yards.

Mission Bay had bad luck on the ground, managing only 61 yards, but fared well through the air with 113 yards for a total offense of 174 yards.

Mount Miguel was penalized for 45 yards, while the Buccaneers were caught in the act for 75 yards.

Individually, Dan Cowan was the star of the game, as he gained 51 yards rushing for the local team, and Jenner connected well with the pass, completing four aeri-als for 73 yards. Tim Miller was on the receiving end of each of Jenner's completions.

Looking to tomorrow night, Mount Miguel will have another opportunity to get experience before the league season starts. The Matadors will host Narbonne at 8 p.m.

The Matadors are expected to have their hands full when they square off against the Los Angeles school, although the local squad will be in high spirits after winning the first game in the last ten.

Mount Miguel would seem to have only two weaknesses, one being a lack of experience for much of the first string, and the other being defensive backfield problems.

Where the Matadors will excel is in the defensive line and the rushing attack. On the line, Mount Miguel size and speed make the difference, while in the backfield, Matador runners show excellent potential.

Surprise Is Name Of Prep Football Game

If last Saturday night's high school football results are any indication of what is in store for football buffs when the Grossmont League opens play October 1, surprises are in order.

As the practice drills came to a close last week, teams who looked like good bets included Grossmont, Helix, El Cajon, and El Capitan. The lesser teams were expected to be Granite Hills, Monte Vista, Santana, and Mount Miguel.

Grossmont High School was to be the top team in the tough league, but the Foothiller's explosive offense fizzled out against Patrick Henry, as the Patriots took a 17-0 victory.

Helix, rated No. 2 by many, made the right number of touchdowns but missed extra points in falling to Crawford, 15-12.

El Cajon, another contender, had the same problem as Helix, but came a bit closer in losing to University, 15-14.

El Capitan looked like a champion when the Vaqueros took a 14-0 lead over Lincoln,

but the Hornets had other things on their minds, like scoring five straight touchdowns to grab a 34-14 victory.

The less regarded teams fared better in the Saturday games, as Mount Miguel and Monte Vista won by identical 20-6 scores, Santana took victory by a 13-6 count, and Granite Hills tallied a 20-16 win.

Mount Miguel looked most impressive in doing away with Mission Bay, as Bob Szalay twice broke through for touchdowns and the Matadors broke a nine-game losing streak.

Monte Vista showed promise with quarterback Art Spahr passing for a pair of TD's and running for a third, while the Monte Vista defense held La Jolla to a last minute score.

Spahr tossed a 21-yard aerial to Mark Maley for the first score in the opening frame, and came back with an eight-yard toss in the second period. Spahr then ran for the third tally from five yards out.

A Granite Hills goal-line defense enabled the Eagles to join the ranks of the undefeated Saturday night against a rugged Sweetwater team.

The Red Devils scored first and converted for a pair of extra points, but the Eagles evened things moments later. The Devils again picked up eight points as the first quarter came to a close.

In the second period, Granite Hills scored again but failed to convert on a pass play and trailed 16-14. Another TD in the third frame put the Eagles in front and the defense hung on to secure the win.

The Santana Sultans looked good in their game against lowly San Dieguito, winning 13-6.

More action is planned to-morrow night, with games of note featuring Mt. Miguel and Narbonne at Mt. Miguel, Monte Vista and Clairemont, at Monte Vista, and Helix and Hoover at Hoover. All games will begin at 8 p.m.

FIRST OF SEVEN — Joe Stubbs, Mount Miguel's ace cross country runner, doesn't even look tired after taking first place in the 1.9-mile race last Friday afternoon, and setting a school record of 8:55.8. Stubbs was the first of seven Matadors to come across the line in front of Lincoln's entire team.

Matadors Blast Lincoln Harriers Friday Afternoon

It was a mismatch at best.

The Mount Miguel High School cross country squad smothered the Lincoln Hornets 15-50, on the winner's tough, 1.9 mile course last Friday afternoon.

Joe Stubbs led the Matador sweep with a time of 8:55.8, setting a school record. Following Stubbs were Matador juniors Joe Badger and Rick Debus in 9:06 and 9:09 respectively. Bob Morrison and John Klein followed, crossing the line in 9:17 and 9:39.

The Matadors broke out fast, and by the first half mile had the first five places ahead of the Hornets. By the mile mark Mount Miguel had all seven of its squad ahead of Lincoln's first man. They finished the same way.

The Matador harriers also won the junior varsity race easily, 18-45. Only one Lincoln runner broke into the Matador top seven as Allan Bridges won the race in 40:35.

Mount Miguel now looks forward to October 1 when they meet the El Cajon Braves. El Cajon, led by Terry Cotton, is figured as one of the top teams in the county.

Should Mount Miguel defeat El Cajon it would be a great step in the direction of a league championship. The two teams will collide at 3 p.m. on the Matador course with the JV and Frosh races at 3:15 and 3:30 p.m.

FAST PACE — Joe Stubbs, left, and Bob Morrison, stick together during the first portion of the race last Friday afternoon at Mount Miguel High School. Stubbs led the Matador cross country to a 15-50 plastering of the Lincoln Hornets.

Count Basie and Baseball On Tap as Padres Season Ends

The 1971 baseball season for the Padres started with the Giants. It concludes with the Giants, but that's not all.

● The age-less sounds of Count Basie and his famous 14-piece orchestra in two pre-game concerts from a stage behind home plate.

● Fan Appreciation Night when nearly 100 prizes will be awarded.

● The conclusion of a furious National League pennant race.

Take your pick? No, sir. Enjoy them all. They're packaged and ready for delivery upon request.

It's a tantalizing windup to a tempestuous season, the kind that promises to provide the type of memories that linger until Opening Day next year.

The Padres final five-date fling starts tomorrow with a 6 p.m. two-night doubleheader against the Houston Astros. On many schedules, Friday is listed incorrectly as a single game.

The Padres and Astros conclude their competition with a 7:30 p.m. contest Saturday.

Then the Giants arrive next Tuesday for a three-game series that could decide the National League's hectic Western Division pennant scramble.

Count Basie and his orchestra will entertain in a one-hour pre-game concert, starting at 6:15, prior to both the Tuesday and Wednesday contests with the Giants.

There will be no increase in regular ticket prices (\$3.50 and \$2.50 for reserved seats) for the Count Basie appearances and fans also will be treated to Basie selections during the games.

Chargers Ready For Battle With Oakland

San Diego's incomparable Chargers tackle Oakland's fearsome Raiders in the second big game of 1971 at San Diego Stadium Sunday. Kick-off is 1 p.m.

The game will be telecast nationally for NBC with San Diego and Los Angeles blacked out.

San Diego comes off a rousing comeback victory over Kansas City, 21-14, enjoyed by a record home crowd of 54,061. Oakland was jolted by the New England Patriots at Foxboro, 20-6.

San Diego has not beaten Oakland since ending a 15-game Raider streak in 1968. Last year, the teams tied 27-27 in San Diego and Oakland won at home, 20-17. The Chargers lead the all-time series, 11-10-1.

Kingpins of the AFC West for four successive years, the Raiders of Coach John Madden invade San Diego as the team picked by most observers to win the Super Bowl this year. They feature three top quarterbacks in Daryl Lamonica, No. 1 passer in the AFC last year; irrepressible George Blanda, the 1970 AFC "Most Valuable Player," and sharp young southpaw Kenny Stabler.

San Diego counters with only one operating quarterback, masterful John Hadl, but with an offense, which against Kansas City, had three wide receivers in the starting lineup — all-star Gary Garrison and impressive rookies Billy Parks and Chuck Dieus. Also contributing to the win were reserve receivers Jerry LeVias and Walker Gillette.

Hadl completed 17 of 37 passes for 260 yards and had touchdown tosses of 39 yards to rookie halfback Mike Montgomery and 37 yards to LeVias.

Payoff touchdown for the Chargers, who fought back from a 14-0 halftime deficit, came on a 26-yard run by Mike Garrett with 5:20 left to play. Reminiscent of his touchdown for the Chiefs against Minnesota in the 1970 Super Bowl, Garrett danced in the end zone and cradled the ball back to the bench.

Coach Sid Gillman awarded a "game ball" to all 17 members of the defense. "The defense was fantastic," said Gillman.

In the second half, Kansas City made only two first downs while gaining 47 yards. On their last five series, the Chiefs were shut out without a first down and gained only six yards. The Chargers, in the second half, picked up 15 first downs and gained 282 yards.

San Diego had two interceptions (Bob Howard and Jim Hill) and sacked Dawson four times. Spearheading the defense were outside linebackers Bob Babich and Pete Barnes with 12 tackles apiece. Babich was moved to the outside before the game with Rick Redman handling the middle.

San Diego and Kansas City will battle again in only three weeks at Kansas City on Oct. 10.

Golden Bowl Standings

There are still a few spots available for bowlers at the daytime and evening sessions at Golden Bowl for winter bowling, said Dodge Skedel, manager.

Three winter leagues have already placed standings:

Lads and Lassies: "Casual Four" in first, with 4 wins, and a 3-way tie for 2nd, between Team 12, Team 5 and Team 1, all with 3 wins.

Golden Bantams: 4-way tie for first, between Team 10, Team 12, Team 8 and Team 3, with 4 wins each, and a 2-way tie for 5th between Team 1 and Team 6, with 3 wins each.

Golden 500 Mixed: 4-way tie for first, between Team 4, Team 5, Pyramid Electric and Team 8, with 2 wins each, and a 4-way tie for fifth between, Team 5, Tom Russell Chevrolet, Team 3 and Team 7, with one win each.

Goldfingers league is still bowing in the summer league, and Bowling Bags lead with 35 wins.

Woody Favored Over K. Norton

Heavyweight Ken Norton of San Diego will meet James J. "Woody" New York City in a 10-round main event Wednesday at 8 p.m. at the San Diego Coliseum. For the first time in his career Norton will not enter the fight favored to win.

Woody, 28, the 210 lb. heavy-weight champion of the state of New York, in his last out-ting lost a close, split decision in Los Angeles to Jose Luis Garcia who holds a knockout win over Norton. Woody also has fought in a tougher league than Norton meeting such boxers as George Foreman, Oscar Bonavena, Buster Martin, and Brian London.

Respected for his boxing ability and defensive skills, Woody owns a respectable 20-1 record compiled over nearly seven years of professional fighting.

Norton is well known to San Diego fight fans who have seen him go undefeated in 11 fights here and score knockouts in all but one of those bouts. Overall, the former Marine has a 23 and 1 record with 21 knockouts to his credit.
